POLICY

1. School profile

Alphington Primary School was established in 1908 by the local community and is located between the Yarra river and Heidelberg road. We have 360 students enrolled from Prep to Year 6 and 24 school staff members including Education support staff. In 2020 we began significant building upgrades with class spaces for an extra 200 students, the addition of a competition grade gymnasium and a new administration/ staff and library area.

Our school grounds are close to Alphington park and Darebin parklands, and we are surrounded by an active and supportive community. Most students that attend our school live locally and tend to walk or ride their bike to school. Alphington Primary School has developed close ties to the local community, building links with local services such as Yarralea Pre-school.

Our school celebrates diversity by recognising and acknowledging who we are and our heritage. We recognise First Nations people and multi-cultural Australia. We are proud of our diversity and inclusive school community.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

2. School values, philosophy and vision

Alphington Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, resilience, curiosity, integrity and kindness at every opportunity.

Our philosophy is based on two core rights which are: Everyone has the right to learn as much as possible and; Everyone has the right to feel safe at all times.

Our school's vision is to empower students to reach their full potential, and fully equip them to contribute positively to society as happy, healthy and active citizens.

Our Statement of Values and School Philosophy is available on the school's website.
